HMS Benefits.xls,
you must have Microsoft Excel
loaded on your computer.

Open the file in Excel and then save as ----- to your hard drive.

Tab 1 - 1. Member and Program Names - is where you enter the names of your members and programs

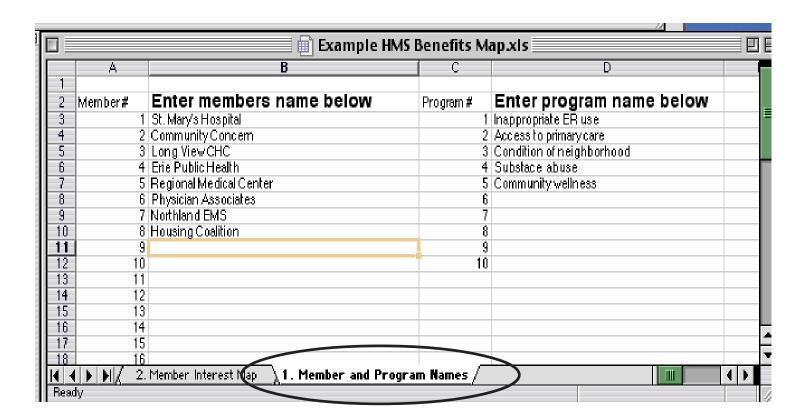

This automatically sets-up the next two tabs for names of members and programs.

Follow instructions on the other tabs for entering
• Priorities of programs by members
(Tab 2 - 2. Member Interest Map) and

• Expected benefits and roles (Tab 3 - 3. Member Benefit.Role Map).
